

# Apple for the Teacher

Brighton's teachers make a difference in the lives of their students. Please join us in recognizing their good work.

We encourage families to let teachers know how much their efforts are appreciated by writing them a note ...and making a donation in their honor to the Brighton Education Fund.

By returning this form, you not only thank a special teacher but also help BEF support innovative programs that are beyond the reach of the district budget. Many of our grants become permanent enrichments in the schools' programs.

Additional copies of this form are available at <http://brightoneducationfund.org/donors/apple.html>.

Just fill in the gift information below and write—or have your child write—a personal message on the form at the bottom of this page. Send this form back to us, and we will deliver to the teacher your note and a card stating that you have made a contribution in his or her honor.

To learn more about BEF, visit our website, [www.brightoneducationfund.org](http://www.brightoneducationfund.org).
